A message from our Principal, Dr. W. John McHale

I am truly excited to be part of the Howard Family. Already in my short time here, I have seen creativity, enthusiasm and pure joy amongst our students and faculty. Although my own artistic abilities are still a work in progress, I continue to find inspiration and support from all the exceptional artists here at HMS.

As we emerge from the challenges of the last few years, I know that we will find hope in the culture already established. We will continue to build a school that is inclusive and a safe space for all. My goal is for every child to feel valued and respected, while given the space to grow as an artist and citizen.

With the new year comes even more opportunities. As I promised when I arrived a year ago, Piano is back. We have also added Debate, Photography and Musical Theatre classes. Finally, we will be the first middle school in Orange County to offer classes in E-Gaming!

I hope to see everyone at all the great events that Howard Middle School supports. Encourage your child to seek new opportunities and experiences. Finally, support them as they discover themselves here at Howard Middle School Academy of Arts.

I wish everyone a Rangeriffic year!

Dr. W. John McHale, Principal

Arrival and Dismissal (Car Loop)

We use the track (across the street on Robinson) as our car loop. Cars must enter on the west side, closest to Summerlin, and then will exit on the other side. Students should arrive

between 9:00am and 9:25am as there is no supervision available before 9:00 am.

Afternoons tend to be more hectic in the beginning than it will be once everyone learns the process.

Please do not park at the local 7-Eleven or other nearby businesses, as you run the risk of being trespassed by the Orlando Police. We appreciate your patience and willingness to follow our procedures for all students' safety.

After school, all students must exit through the front doors, and car riders then cross the street to the track. We ask students to wait on the field until their car has pulled up closer to the front of the line, so as to help keep traffic moving. We appreciate everyone's efforts at helping students to understand the importance of waiting for their car instead of loading in at the back of the line.

Howard Academy of Arts is a beacon for arts education in Central Florida and a home where creative minds thrive. We thank you for being a part of this innovative community where all students' lives are made richer through a combination of rigorous academics and an intense focus in the arts.
